Rubric for Assigning Student's Daily Grade

At the end of each class period, please assign each student a daily grade from 1-4 and mark in the appropriate column on the attendance sheet(s). Assign the following:

4- Student exhibited good work habits, they were cooperative with the substitute teacher and fellow classmates, they worked diligently the entire class period, and turned in requested assignments and the quality of assignments turned in was excellent.

3 – Student mostly worked on task, getting distracted only occasionally. Student was typically respectful of substitute teacher and classmates. Student may have needed to be redirected at times, but turned in all assignments; quality of assignments turned in was generally good.

2 – Student showed some effort in working on daily tasks, but not consistently for the entire class hour. Student did not always demonstrate positive interactions with substitute teacher or with fellow classmates. Student turned in assignments, but many were incomplete.

1- Student behavior had to be corrected several times. Student was not on task. Student did not turn in all assignments.
